

LUXARO

This tiles are specially made for the country look everyone loves and are nostalgic for.

Carrom Series is mainly worked upon with research and advancement to give the exterior look a new charm which cannot leave the catcher's vision.

The 3d make gives it an unimaginable amusing feel. Also as it is meant to enhance the outer, it is given the ability to sustain water as well.

For the places like cafeteria and those all areas giving leisure time, nothing can go along like Cricket.

It gave a tremendous level of self-confidence, that through exploration and learning one could understand seemingly very complex things in one's environment.
